Renée Yelenosky, eLearning Graphic Designer/Developer, to join Cinécraft Team

Cleveland, Ohio – April 11, 2014 – Renée Yelenosky has joined the Cinecraft team to help provide graphic design and illustration skillsets to eLearning projects. Renée will also add depth to the programming team.

Renée received a BFA in digital art from Bowling Green State University, and now has about 9 years experience designing and developing eLearning courses and websites. She was previously with Easy2 Technologies and Pearson.

Her expertise is in graphic design, illustration and progamming. The tools she is most comfortable using includes Articulate Storyline, Lectora, Adobe Flash CS3 and Captivate.

With over 75 years of experience, Cinécraft Productions continues to be an innovative resource for storytelling in the video and eLearning industry.
